

Correlation Between Colorado Academic Standards and PreK Learn as You Play with The Learning Carpet

P.CC.A. Counting & Cardinality: Knows number names and the count sequence.

[Math Path 1 Forward Sequencing p 10](#)

[Math Path 2 Start/Stop and Backward Sequencing p 11](#)

[Purpose and Sequencing Activities p 8-20](#)

P.CC.B. Counting & Cardinality: Recognizes the number of objects in a small set.

[Math Path 3 Structuring to and Through Five and Below p 23](#)

[Purpose and Subitizing/Structuring Activities p 22-36](#)

P.CC.C. Counting & Cardinality: Understands the relationship between numbers and quantities.

[Math Path 4 Count All/Count Some or Produce p 39](#)

[Purpose and Counting Activities p. 38-48](#)

P.CC.D. Counting & Cardinality: Compares numbers.

[Purpose and Comparison Activities p 50, 59-60, 69](#)

P.CC.E. Counting & Cardinality: Associates a quantity with written numerals up to 5 and begin to write numbers.

[Math Path 7 Numeral Recognition and Identification p 73](#)

[Purpose and Numeral Identification Activities p 72-86](#)

P.OA.A. Operations & Algebraic Thinking: Understands addition as adding to and subtraction as taking away from.

[Math Path 5 Put Together or Addition p 52](#)

[Math Path 6 Take Apart or Subtraction p 53](#)

[Purpose and Put Together, Take Away/Take Apart/Compare Activities p 50-70](#)

P.OA.B. Operations & Algebraic Thinking: Understands simple patterns.

[Purpose and Patterning Activities p 102-104](#)

P.MD.A. Measurement & Data: Measures objects by their various attributes using standard and nonstandard measurement and uses differences in attributes to make comparisons.

[Purpose and Measurement/Comparison Activities p 94-100](#)

P.G.A Geometry: Identifies, describes, compares, and composes shapes.

[Purpose and Geometry Activities p 102-118](#)

P.G.B Geometry: Explores the positions of objects in space.

[Purpose and Positional Awareness Activities p 102, 105, 108](#)

Reading, Writing and Communicating

Standard 2. Reading for All Purposes

2. Phonological awareness is the building block for understanding language.

Purpose and Phonological Awareness Activities p 120-128, 134-137

4. The names and sounds associated with letters make up alphabetic knowledge.

Purpose and Letter Identification and Letter Sound Activities p 120, 129-134
